Subject: [External] Request for public hearing on Docket 2019-224-E and 2019-225-E

Dear South Carolina PSC,

I would like to request a public hearing on Duke Energy's Integrated Resource Plan, Docket 2019-224-E and 2019-225-E. South Carolina families and businesses will be directly impacted by these plans and should have the opportunity to speak directly with the Commission about their concerns.

Sincerely,  
James Geenen
